**OFFICE MEMORANDUM**

**Subject: Fresh empanelment of private hospitals and revision of package rates applicable under CGHS, Chennai – Clarifications regarding**

The undersigned is directed to invite reference to the Office Memorandum, of even number dated the 17<sup>th</sup> August, 2010, on the above subject, vide which inter alia revised package rates applicable under CGHS, Chennai were also notified and to state that 1<sup>st</sup> September, 2010, was intimated as the date from which new rates would become operational. This was done on the presumption that hospitals short listed for empanelment under CGHS Chennai would have signed the Memorandum of Agreement with the CGHS by then. It has, however, been observed that only a few hospitals have submitted the Memorandum of Agreement to CGHS. It, therefore, follows that the new rates will become effective only after the hospitals, short listed to be empanelled including the existing empanelled hospitals on the basis of response to the tender floated by the CGHS, have signed the Memorandum of Agreement with the CGHS, Chennai, and such hospitals are notified.

2. After the issue of the above referred Office Memorandum of 17<sup>th</sup> August, 2010, CGHS has received requests for clarification as to whether they will be categorized as "super-speciality hospitals" and that they can charge rates fixed for Super-speciality hospitals. It is clarified that the entitlement of hospitals to super-speciality rates will not be because they perceive themselves to be super-speciality hospitals, but subject to their fulfilling the eligibility conditions in the tender document for being classified as super-speciality hospitals.
