Para 13 Other Features	13.ii The KCC holder should have the option to take benefit of Crop Insurance, Assets Insurance, Personal Accident Insurance Scheme (PAIS) and Health Insurance (wherever product is available) and have premium paid through his KCC account. Necessary premium will have to be paid on the basis of agreed ratio between bank and farmer to the insurance companies from KCC accounts. Farmer beneficiaries should be made aware of the insurance cover available and their consent is to be obtained, at the application stage itself.	13.ii Besides the mandatory crop insurance, the KCC holder should have the option to take benefit of Assets Insurance, Personal Accident Insurance Scheme (PAIS), and Health Insurance (wherever product is available) and have premium paid through his KCC account. Necessary premium will have to be paid on the basis of agreed ratio between bank and farmer to the insurance companies from KCC accounts. Farmer beneficiaries should be made aware of the insurance cover available and their consent (except in case of crop insurance, it being mandatory) is to be obtained, at the application stage itself.
Para 14 Classification of Account as NPA	14.1 With a view to simplifying asset- classification, the Committee has recommended that an account could be treated as "standard", when the balance outstanding is less than or equal to drawing limit [short term (crop) loan] at any point of time during the preceding one year. In other words, it is suggested that the short term loan (with major component of crop loan) sanctioned on the KCC can be given the same treatment as a "cash credit" account for the purpose of applying prudential norms and should not be treated as "out of order" if the balance outstanding is less than or equal to the drawing limit and each drawl is repaid within a period of 12 months. Term loan under KCC has fixed repayment schedule and is to be governed by extant prudential norms.	14.1 The extant prudential norms for income recognition, asset-classification and provisioning will continue to apply for loans granted under revised KCC Scheme.
