OFFICE MEMORANDUM

Subject :- Primary Out-Patient Care to The General Public at CGHS Wellness Centres for Dengue Fever and Chikungunya and Symptoms like Dengue , Chikungunya and Swine-flu

With reference to the above subject kindly refer to the Office Memorandum of even number dated the 3rd September , 2016 and the undersigned is to draw the attention of the Chief Medical Officers and other Medical officers of all CGHS Wellness Centres drawn to the situation arising out of spread of Dengue Fever , Chikungunya Fever and Swine-flu and their complications and to state that Government has taken several steps to deal with the situation.

As one of the initiatives in this regard , it has been decided that all doctors at various CGHS Wellness Centres shall provide consultation services and primary out-patient medical care to all citizens – whether CGHS beneficiaries or not – who may visit the Wellness Centres with symptoms of Dengue Fever , Chikungunya or Swine-flu , primarily high fever.

A copy of this letter may be displayed in the Notice-Board of the CGHS Wellness Centre
