STANDARD OPERATING PROCEDURE FOR ADOPTION OF INTEGRITY PACT

1.0 BACKGROUND

- 1.1 In order to ensure transparency, equity and competitiveness in public procurement, the Commission recommends adoption and implementation of the concept of Integrity Pact (IP) by Government organizations, Public Sector Enterprises, Public Sector Banks, Insurance Companies, other Financial Institutions and Autonomous Bodies etc.
- 1.2 Vide Circular No. 02/1/2017 dated 13.01.2017, the Commission issued a Comprehensive Standard Operating Procedure (SOP) for adoption and implementation of Integrity Pact.

Further, vide Circular no. 15/10/20 dated 20.10.2020, the eligibility criteria for consideration for empanelment as Independent External Monitor (IEM) was reviewed and revised.

- 1.3 Deptt. of Expenditure vide OM dt. 19.7.2011, issued guidelines to all Ministries/ Departments/Organizations including their attached/subordinate offices and autonomous bodies for implementation of IP. Also, vide OM dated 20.7.2011 Deptt. of Expenditure requested Department of Public Enterprises for directions to Central Public Sector Enterprises for use of IP.
- 1.4 Further, in view of the increasing procurement activities of Public Sector Banks (PSBs), Insurance Companies (ICs) and Financial Institutions (FIs), the Commission vide Circular No. 02/02/2015 dated 25.02.2015 advised that all PSBs, PSICs and FIs shall also adopt and implement the Integrity Pact.

2.0 INTEGRITY PACT

2.1 The Pact essentially envisages an agreement between the prospective vendors/bidders and the buyer, committing the persons/officials of both sides, not to resort to any corrupt practices in any aspect/stage of the contract. Only those vendors/bidders, who commit themselves to such a Pact with the buyer, would be considered competent to participate in the bidding process. In other words, entering into this Pact would be a preliminary qualification. The essential ingredients of the Pact include:

- Promise on the part of the principal not to seek or accept any benefit, which is not legally available;
- Principal to treat all bidders with equity and reason;
- Promise on the part of bidders not to offer any benefit to the employees of the Principal not available legally;
- Bidders not to enter into any undisclosed agreement or understanding with other bidders with respect to prices, specifications, certifications, subsidiary contracts, etc.
- Bidders not to pass any information provided by Principal as part of business relationship to others and not to commit any offence under PC/IPC Act;
- Foreign bidders to disclose the name and address of agents and representatives in India and Indian Bidders to disclose their foreign principals or associates;
- Bidders to disclose the payments to be made by them to agents / brokers or any other intermediary;
- Bidders to disclose any transgressions with any other company that may impinge on the anti corruption principle.

Any violation of Integrity Pact would entail disqualification of the bidders and exclusion from future business dealings, as per the existing provisions of GFR, 2017, PC Act, 1988 and other Financial Rules/Guidelines etc. as may be applicable to the organization concerned.

- 2.2 Integrity Pact, in respect of a particular contract, shall be operative from the date IP is signed by both the parties till the completion of contract. After award of work, the IEMs shall look into any issue relating to execution of contract, if specifically raised before them. As an illustrative example, if a contractor who has been awarded the contract, during the execution of contract, raises issue of delayed payment etc. before the IEMs, the same shall be examined by the panel of IEMs.

However, the IEMs may suggest systemic improvements to the management of the organization concerned, if considered necessary, to bring about transparency, equity and fairness in the system of procurement.

3.0 IMPLEMENTATION PROCEDURE

- 3.1 As stated in Department of Expenditure's O.M. dated 20.7.2011, Ministries/Departments may, in consultation with the respective Financial Adviser and with the approval of the Minister-in-charge, decide on and lay down the nature of procurements/contracts and the threshold value above which the Integrity Pact would be used in respect of procurement transactions/contracts concluded by them or their attached/sub-ordinate offices.

In case, any individual organization desires to lower the threshold value, they may do so with the approval of the competent authority of the organization.

Procurements/contracts would cover procurement of works, goods and services by the organization concerned.

- 3.2 The above provision is also applied for procurements/contracts made by autonomous bodies for which the Administrative Ministry/Department concerned should decide the type of procurement activities and the threshold value above which the Integrity Pact would be applicable.

The procurements/contracts would cover both purchases and works/services contracts being entered into by the organization concerned.

- 3.3 The provision for the Integrity Pact is to be included in all Requests for Proposal/Tender documents issued in future in respect of the procurements/contracts that meet the criteria decided in terms of para 3.1 and 3.2 above.
- 3.4 In all tenders covered under the Integrity Pact, particulars of all IEMs, including their email IDs, should be mentioned, instead of mentioning details of a single IEM.
- 3.5 The Purchase / procurement wing of the organization would be the focal point for the implementation of IP.
- 3.6 It has to be ensured, through an appropriate provision in the contract, that IP is deemed as part of the contract so that the parties concerned are bound by its provisions.
- 3.7 IP would be implemented through a panel of Independent External Monitors (IEMs), appointed by the organization. The IEM would review independently and objectively, whether and to what extent parties have complied with their obligations under the Pact.
- 3.8 A clause should be included in the IP that a person signing IP shall not approach the Courts while representing the matters to IEMs and he / she will await their decision in the matter.
- 3.9 In case of a joint venture, all the partners of the joint venture should sign the Integrity Pact. In case of sub-contracting, the Principal contractor shall take the responsibility of the adoption of IP by the sub-contractor. It is to be ensured that all sub-contractors also sign the IP.
- 3.10 A summary of procurement/contract awarded, which are covered under the IP shall be compulsorily shared with the IEMs on quarterly basis, during the meeting. Based on the specific requirement of the organisations and the no. of tenders floated, the meetings may be held on monthly or bi-monthly basis, instead of quarterly periodicity.

- 3.11 The final responsibility for implementation of IP vests with the CMD/CEO of the organization.

4.0 ROLE AND DUTIES OF IEMs

- 4.1 The IEMs would be provided access to all documents/records pertaining to the contract for which a complaint or issue is raised before them, as and when warranted. However, the documents/records/information having National Security implications and those documents which have been classified as Secret/Top Secret are not to be disclosed.
- 4.2 It would be desirable to have structured meetings of the IEMs with the Chief Executive of the Organisation on a half yearly basis to discuss / review the information on tenders awarded during the preceding six months' period. Additional sittings, however, can be held as per requirement.
- 4.3 The IEMs would examine all complaints received by them and give their recommendations/views to the Chief Executive of the organization, at the earliest. They may also send their report directly to the CVO in case of suspicion of serious irregularities requiring legal/administrative action. Only in case of very serious issue having a specific, verifiable Vigilance angle, the matter should be reported directly to the Commission. IEMs are expected to tender their advice on the complaints, within 30 days.
- 4.4 For ensuring the desired transparency and objectivity in dealing with the complaints arising out of any tendering process or during execution of contract, the matter should be examined by the full panel of IEMs jointly, who would look into the records, conduct an investigation, and submit their joint recommendations to the Management.
- 4.5 IEM should examine the process integrity, they are not expected to concern themselves with fixing of responsibility of officers. Complaints alleging malafide on the part of any officer of the organization should be looked into by the CVO of the concerned Organization.

- 4.6 The advisory role of IEMs is envisaged as that of a friend, philosopher and guide. The advice of IEM would not be legally binding and it is restricted to resolving issues raised by a bidder regarding any aspect of the tender which allegedly restricts competition or bias towards some bidders. At the same time, it must be understood that IEMs are not consultants to the Management. Their role is independent in nature and the advice once tendered would not be subject to review at the request of the organization.
- 4.7 Issues like warranty/guarantee etc. should be outside the purview of IEMs.
- 4.8 All IEMs should sign non-disclosure agreements with the organization in which they are appointed. They would also be required to sign a declaration of absence of conflict of interest.
- 4.9 A person acting as an IEM shall not be debarred from taking up other assignments such as consultancy with other organizations or agencies subject to his declaring that his / her additional assignment does not involve any conflict of interest with existing assignment. In case of any conflict of interest arising at a later date from an entity wherein he is or has been a consultant, the IEM should inform the CEO and recuse himself/herself from that case.
- 4.10 All organizations may provide secretarial assistance to IEMs for rendering his/her job as IEM.
- 4.11 In case of any misconduct by an IEM, the CMD/CEO should bring it to the notice of the Commission detailing the specific misconduct for appropriate action at the Commission's end.
- 4.12 The role of the CVO of the organization shall remain unaffected by the presence of IEMs. A matter being examined by the IEMs can be separately investigated by the CVO in terms of the provisions of the CVC Act or Vigilance Manual, if a complaint is received by him/her or directed to him/her by the Commission.

- 4.13 All the deliberations during the IEMs' meetings should be minuted and in the next meeting, the IEMs should confirm the recorded minutes of the previous meeting.
