### **PRIMARY OUT-PATIENT MEDICAL CARE TO THE GENERAL PUBLIC AT CGHS WELLNESS CENTRES FOR DENGUE FEVER AND DENGUE LIKE SYMPTOMS**

Government has initiated various steps to deal with the situation arising out of spread of Dengue and its complications.

As one of the initiatives in this regard, all doctors at various CGHS Wellness Centres in Delhi and NCR shall provide consultation services and primary out-patient medical care to all citizens- whether CGHS beneficiaries or not- who may visit the Wellness Centres with symptoms of Dengue, primarily high fever.

CGHS Wellness Centres function from 7.30.A.M. to 2 P.M. on all working days.

The location of CGHS Wellness Centres may be ascertained from CGHS Website at [www.http://msotransparent.nic.in/cghsnew/](http://msotransparent.nic.in/cghsnew/)

This is for kind information of general public.
