### Extension of Tele Consultation services to all the CGHS cities

With the objective of facilitating CGHS beneficiaries, Tele Consultation services were started in CGHS Delhi wef 25<sup>th</sup> August, 2020. It has now been decided with the approval of the competent authority to extend these services to beneficiaries across India wef 7.12.2020. The timings for Tele- Consultation are from 9 am to 12 noon on all working days. To begin with Tele Consultation facility will be available in following specialities:

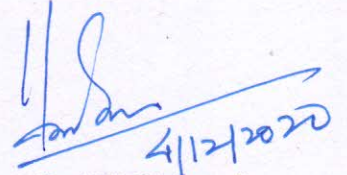

1. Medicine
2. Orthopaedics
3. Eye
4. ENT
5. Psychiatry

The facility may be considered for other specialities too subsequently. The beneficiaries can avail the facility by logging in to **esanjeevaniopd.in** application of Ministry of Health and Family Welfare using their mobile number. eSanjeevani OPD application assigns a doctor to the patient and s/he receives a token for consultation through SMS. Beneficiary can also upload his health records, if any. Thereafter as the doctor is available, a "CALL NOW" button gets activated and upon clicking "CALL NOW" button by the patient, the video consultation is established. After the consultation an e-Prescription is generated. This e-Prescription shall be honoured by all Wellness Centres. For collection of medicines the beneficiary is required to visit the Wellness Center himself or send his authorized representative. E-prescription is valid for all purposes **provided**

- It bears Ben. ID of the patient and prescribing doctor is from CGHS or any government hospital.
- Since it is computer generated prescription there may be no signature of the prescribing Doctor.
- Rest of the rules regarding issue of medicines and getting the advised investigations/procedures done remain the same as per present CGHS policies /Guidelines issued from time to time.

The flowchart and description on steps to be followed for availing the facility on eSanjeevani OPD Application are enclosed.
