

CGHS Webinars

CGHS has launched a newer initiative "**Webinars for CGHS beneficiaries on the Digital initiatives and services available in CGHS**" which will provide information to the beneficiaries about the wide range of online services being rendered by CGHS. These services can be availed by them at the click of a button from the comfort of their own homes and thus saving them from frequent visits to the Wellness Centres and Additional Director Offices.

This series of short webinars, 30-50 minutes in length will be held at **4 PM on 3rd Tuesday of every month** (except Gazetted Holidays). After the session, queries from beneficiaries received through the chatbox will be discussed.

The fifth in the series is being held on 17/10/2023 (Tuesday) at 4.00PM on "**myCGHS Mobile App**" by **Dr. Leisha Dharan, Nodal Officer, Monitoring, Computerization and Training Cell (MCTC), CGHS**.

All beneficiaries are requested to join the webinar series conducted through BharatVC using the link given below –
