Circular No. 02/02/2015

Subject:- Adoption of Integrity Pact in Public Sector Banks / Insurance Companies / Financial Institutions - regarding.

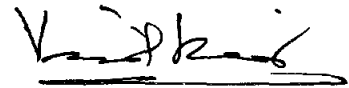

Reference:- Commission's Office Order No. 41/12/07 dated 04.12.2007, Circular No. 24/8/08 dated 05.8.2008 & Circular No. 10/5/09 dated 18.5.2009 and D/o Expenditure O.Ms dated 19.7.2011 & 20.7.2011.

In the year 2007, the Commission recommended implementation of a concept called Integrity Pact (IP) in respect of all major procurements, which essentially envisages an agreement between the prospective vendors /bidders and the buyer committing the persons/officials of both the parties not to exercise any corrupt influence on any aspect of the contract. Further, in May 2009 the Commission formulated a Standard Operating Procedure (SOP) outlining the essential ingredients of IP. The IP envisages a panel of Independent External Monitors (IEMs), who would review independently and objectively, whether and to what extent parties have complied with their obligations under IP.

2. Commission's circular dated 05.8.2008 exempted Public Sector Banks (PSBs) / Insurance Companies (ICs) / Financial Institutions (FIs) from adopting IP in view of their limited procurement activities. However, over the years, it has been observed that Public Sector Banks, Public Insurance Companies and Financial Institutions are increasingly undertaking major procurement activities. It has, therefore, become imperative for PSBs, ICs & FIs also to now adopt IP and appoint IEMs to make their procurement and contracting process fair & transparent. Ministry of Finance, Department of Expenditure subsequently vide O.Ms dated 19.7.2011 & 20.7.2011 has issued guidelines to all organisations including attached/sub-ordinate offices of the Ministries/Departments to implement the Integrity Pact.

3. In view of above, all Public Sector Banks, Insurance Companies and Financial Institutions shall adopt and implement the Integrity Pact. Thereafter, a panel of four/five names of eminent retired persons as prescribed vide para 5 of Commission's SoP issued vide Circular No. 10/5/09 dated 18.5.2009 may be sent to the Commission for approval as IEMs. The Commission would approve two IEMs out of the panel forwarded by the PSBs / ICs / FIs for appointment as IEMs. The copy of the Integrity Pact enclosed along with DoE's O.M. dated 20.7.2011 addressed to D/o Public Enterprises may be used for the purpose of IP in the Public Sector Banks/Insurance Companies/Financial Institutions.

4. All Public Sector Banks/Insurance Companies/Financial Institutions may, therefore, ensure that the Integrity Pact is adopted and all the formalities are completed by **30th April, 2015**.

Dated the 4th December 2007

Office Order No.41/12/07

Subject: Adoption of Integrity Pact in major Government Procurement Activities- regarding.

Ensuring transparency, equity and competitiveness in public procurement has been a major concern of the Central Vigilance Commission and various steps have been taken by it to bring this about. Leveraging technology specially wider use of the web-sites for disseminating information on tenders, tightly defining the pre-qualification criteria and other terms and conditions of the tender are some of the steps recently taken at the instance of the Commission in order to bring about greater transparency and competition in the procurement/award of tender.

2. In this context, Integrity Pact, a vigilance tool first promoted by the Transparency International, has been found to be useful. The Pact essentially envisages an agreement between the prospective vendors/bidders and the buyer committing the persons/officials of both the parties, not to exercise any corrupt influence on any aspect of the contract. Only those vendors/bidders who have entered into such an Integrity Pact with the buyer would be competent to participate in the bidding. In other words, entering into this Pact would be a preliminary qualification. The Integrity Pact in respect of a particular contract would be effective from the stage of invitation of bids till the complete execution of the contract.

3. The Integrity Pact envisages a panel of Independent External Monitors (IEMs) approved for the organization. The IEM is to review independently and objectively, whether and to what extent parties have complied with their obligations under the Pact. He has right of access to all project documentation. The Monitor may examine any complaint received by him and submit a report to the Chief Executive of the organization, at the earliest. He may also submit a report directly to the CVO and the Commission, in case of suspicion of serious irregularities attracting the provisions of the PC Act. However, even though a contract may be covered by an Integrity Pact, the Central Vigilance Commission may, at its discretion, have any complaint received by it relating to such a contract, investigated.

4. The Commission would recommend the Integrity Pact concept and encourage its adoption and implementation in respect of all major procurements of the Govt. organizations. As it is necessary that the Monitors appointed should be of high integrity and reputation, it has been decided that the Commission would approve the names of the persons to be included in the panel. The Government Organizations are, therefore, required to submit a panel of names of eminent

persons of high integrity and repute and experience in the relevant field, through their administrative Ministry, for consideration and approval by the Commission as Independent External Monitors. The terms and conditions including the remuneration payable to the Monitors need not be a part of the Integrity Pact and the same could be separately communicated. It has also to be ensured by an appropriate provision in the contract, that the Integrity Pact is deemed as part of the contract in order to ensure that the parties are bound by the recommendation of the IEMs, in case any complaint relating to the contract, is found substantiated.

5. A copy of the Integrity Pact, which the SAIL got vetted by the Addl. Solicitor General is available on the Commission's web-site i.e www.cvc.nic.in as an attachment to this Office Order in downloadable form, which may be used in original or may be suitably modified in order to meet the individual organization's requirements

Dated, the 05th August 2008

Circular No.24/8/08

Sub:- Adoption of Integrity Pact in major Government procurement activities.

The Commission, vide its Circulars No. 41/12/07, dated 4.12.07 and 18/5/08 dated 19.5.08, has emphasized the necessity to adopt Integrity Pact (IP) in Government organizations in their major procurement activities. The Commission had also directed that in order to oversee the compliance of obligations under the Pact, by the parties concerned, Independent External Monitors (IEMs) should be nominated with the approval of the Commission, out of a panel of names proposed by an Organization.

2. As more and more organizations begin to adopt the Integrity Pact, several queries and operational issues have been raised. The Commission has examined these issues and suggested the following guidelines:

- i) Adoption of Integrity Pact in an organization is voluntary, but once adopted, it should cover all tenders/procurements above a specified threshold value, which should be set by the organization itself.
- ii) IP should cover all phases of the contract i.e., from the stage of Notice Inviting Tender(NIT)/pre-bid stage to the stage of last payment or a still later stage, covered through warranty, guarantee etc.
- iii) IEMs are vital to the implementation of IP and atleast one IEM should be invariably cited in the NIT. However, for ensuring the desired transparency and objectivity in dealing with the complaints arising out of any tendering process, the matter should be referred to the full panel of IEMs, who would examine the records, conduct the investigation and submit a report to the management, giving joint findings.
- iv) A maximum of three IEMs would be appointed in Navratna PSUs and upto two IEMs in other Public Sector Undertakings. The organizations may, however, forward a panel of more than three names for the Commission's approval. For the PSUs having a large territorial spread or those having several subsidiaries, the Commission may consider approving a large number of IEMs, but not more than two IEMs would be assigned to any one subsidiary.

- v) Remuneration payable to the IEMs may be similar to the Independent Directors in the organization.
- vi) In view of limited procurement activities in the Public Sector Banks, Insurance Companies and Financial Institution, they are exempted from adopting IP.

3. It needs no reiteration that all organizations must make sustained efforts to realize the spirit and objective of the Integrity Pact. For further clarifications on its implementation or the role of IEMs, all concerned are advised to approach the Commission.

**NOTE: SECTION 6.02 (i) & 6.02 (ii) OF THE SOP ON INTEGRITY PACT HAS
BEEN DELETED WITH CIRCULAR No. 31/08/10 DATED 13.8.10.**

Subject:- Adoption of Integrity Pact -Standard Operating Procedure-reg.

1.0 Background

1.01 The Central Vigilance Commission has been promoting Integrity, transparency, equity and competitiveness in Government/PSU transactions and as a part of vigilance administration and superintendence. Public procurement is a major area of concern for the Central Vigilance Commission and various steps have been taken to put proper systems in place. Leveraging technology, especially wider use of the web sites for disseminating information on tenders, clearly defining the pre qualification criteria and other terms and conditions of the tender are some of the steps recently taken at the instance of the Commission. In this context, Integrity Pact (IP), a vigilance tool conceptualized and promoted by the Transparency International, has been found to be useful. The Commission has, through its Office Orders No. 41/12/07 dated 04.12.07 and 43/12/07 dated 28.12.07 and Circulars No. 18/05/08 dated 19.05.08 and 24.08.08 dated 05.08.2008 (copies appended), recommended adoption of Integrity Pact and provided basic guidelines for its implementation in respect of major procurements in the Government Organizations.

2.0 Integrity Pact

2.01 The pact essentially envisages an agreement between the prospective vendors/bidders and the buyer, committing the persons/officials of both sides, not to resort to any corrupt practices in any aspect/stage of the contract. Only those vendors/bidders, who commit themselves to such a Pact with the buyer, would be considered competent to participate in the bidding process. In other words, entering into this Pact would be a preliminary qualification. The essential ingredients of the Pact include:

- Promise on the part of the principal not to seek or accept any benefit, which is not legally available;
- Principal to treat all bidders with equity and reason;
- Promise on the part of bidders not to offer any benefit to the employees of the Principal not available legally;
- Bidders not to enter into any undisclosed agreement or understanding with other bidders with respect to prices, specifications, certifications, subsidiary contracts, etc.
- Bidders not to pass any information provided by Principal as part of business relationship to others and not to commit any offence under PC/IPC Act;
- Foreign bidders to disclose the name and address of agents and representatives in India and Indian Bidders to disclose their foreign principals or associates;

- Bidders to disclose the payments to be made by them to agents / brokers or any other intermediary.
- Bidders to disclose any transgressions with any other company that may impinge on the anti corruption principle.

2.02 Integrity Pact, in respect of a particular contract, would be operative from the stage of invitation of bids till the final completion of the contract. Any violation of the same would entail disqualification of the bidders and exclusion from future business dealings.

3.0 Implementation procedure:

3.01 Adoption of IP is voluntary for any organization, but once adopted, it should cover all tenders /procurements above a specified threshold value.

3.02 The threshold value for the contracts to be covered through IP should be decided after conducting proper ABC analysis and should be fixed so as to cover 90-95% of the total procurements of the organization in monetary terms.

3.03 Apart from all high value contracts, any contract involving complicated or serious issues could be brought within the ambit of IP, after a considered decision of the management

3.04 The Purchase / procurement wing of the organization would be the focal point for the implementation of IP.

3.05 The Vigilance Department would be responsible for review, enforcement, and reporting on all related vigilance issues.

3.06 It has to be ensured, through an appropriate provision in the contract, that IP is deemed as part of the contract so that the parties concerned are bound by its provisions.

3.07 IP should cover all phases of the contract, i.e. from the stage of Notice Inviting Tender (NIT)/pre-bid stage till the conclusion of the contract, i.e. the final payment or the duration of warranty/guarantee.

3.08 IP would be implemented through a panel of Independent External Monitors (IEMs), appointed by the organization. The IEM would review independently and objectively, whether and to what extent parties have complied with their obligations under the Pact.

3.09 Periodical Vendors' meets, as a familiarization and confidence building measure, would be desirable for a wider and realistic compliance of the principles of IP.

3.10 Information relating to tenders in progress and under finalization would need to be shared with the IEMs on monthly basis.

4.0 Role /Functions of IEMs :

4.01 IEM would have access to all Contract documents, whenever required. Ideally, all IEMs of an organization should meet in two months to take stock of the ongoing tendering processes.

4.02. It would be desirable to have structured meeting of the IEMs with the Chief Executive of the organization on a monthly basis to discuss/review the information on tenders awarded in the previous month.

4.03 The IEMs would examine all complaints received by them and give their recommendations/views to the Chief Executive of the organization, at the earliest. They may also send their report directly to the CVO and the Commission, in case of suspicion of serious irregularities requiring legal/administrative action.

4.04 At least one IEM should be invariably cited in the NIT. However, for ensuring the desired transparency and objectivity in dealing with the complaints arising out of any tendering process, the matter should be examined by the full panel of IEMs, who would look into the records, conduct an investigation, and submit their joint recommendations to the Management

4.05 The recommendations of IEMs would be in the nature of advice and would not be legally binding. At the same time, it must be understood that IEMs are not consultants to the Management. Their role is independent in nature and the advice once tendered would not be subject to review at the request of the organization.

4.06 The role of the CVO of the organization shall remain unaffected by the presence of IEMs. A matter being examined by the IEMs can be separately investigated by the CVO in terms of the provisions of the CVC Act or Vigilance Manual, if a complaint is received by him or directed to him by the Commission.

5.0 Appointment of IEMs

5.01 The IEMs appointed should be eminent personalities of high integrity and reputation. The Commission would approve the names of IEMs out of the panel of names, initiated by the organization concerned, in association/consultation with the CVO.

5.02 While forwarding the panel, the organization would enclose detailed bio-data in respect of all names proposed. The details would include postings before superannuation, special achievements, experience, etc., in Government sector. It is desirable that the persons proposed possess domain experience

of the PSU activities or the relevant field with which they may be required to deal.

5.03 A maximum of three IEMs would be appointed for Navratna PSUs and up to two IEMs for others.

5.04 Organizations could propose a panel of more than three names for the consideration of the Commission.

5.05 Persons appointed as IEMs in two organizations would not be considered for a third organization.

5.06 For PSUs having a large territorial spread or those having several subsidiaries, there could be more IEMs, but not more than two IEMs would be assigned to one subsidiary.

5.07 Remuneration payable to the IEMs would be equivalent to that admissible to an Independent Director in the organization. This remuneration would be paid by the organization concerned.

5.08 The terms and conditions of appointment, including the remuneration payable to the IEMs, should not be included in the Integrity Pact or the NIT. They could be communicated individually to the IEMs concerned.

5.09 The normal term of appointment for an IEM would be 3 years, and it would be subject to renewal by the Commission thereafter.

6.0 Review System :

6.01 An internal assessment of the impact of IP shall be carried out periodically by the CVOs of the organizations and reported to the Commission.

6.02 Two additional reviews are envisaged for each organization *in due course*.

- (i) Financial impact review, which could be conducted through an independent agency like auditors, and
- (ii) Physical review, which could be done through an NGO of tested credibility in the particular field.

6.03 It is proposed to include the progress in the implementation of IP in the Annual Report of the Commission. CVOs of all organizations would keep the Commission posted with the implementation status through their monthly reports or special reports, wherever necessary.

7.0 All organizations are called upon to make sincere and sustained efforts to imbibe the spirit and principles of the Integrity Pact and carry it to its effective implementation.

and without seeking any reasons whatsoever. The demand for payment by the BUYER shall be treated as conclusive proof of payment.

(iii) Any other mode or through any other instrument (to be specified in the RFP).

5.2 The Earnest Money/Security Deposit shall be valid upto a period of five years or the complete conclusion of the contractual obligations to the complete satisfaction of both the BIDDER and the BUYER, including warranty period, whichever is later.

5.3 In case of the successful BIDDER a clause would also be incorporated in the Article pertaining to Performance Bond in the Purchase Contract that the provisions of Sanctions for Violation shall be applicable for forfeiture of Performance Bond in case of a decision by the BUYER to forfeit the same without assigning any reason for imposing sanction for violation of this Pact.

5.4 No interest shall be payable by the BUYER to the BIDDER on Earnest Money/Security Deposit for the period of its currency.

6. Sanctions for Violations
