Like every year, Annual Report of the Commission for the year 2020 is under preparation. The important data to make the Annual Report of the Commission is taken from the Annual Report generated based on the QPRs submitted by CVOs online on the CVC portal. It is seen that QPRs in respect of many CVOs are still showing pending.

2. It is therefore requested that the CVOs whose QPRs are yet to be uploaded, may file their QPRs (4 quarters) for the year 2020 latest by 05.02.2021 as the data will be frozen by 06.02.2021.
