Subject:- Implementation of e-tendering solutions.

References are being received by the Commission regarding the methodology for selection of sole application service provider for the implementation of e-tendering solutions in various organizations. The Commission has examined the matter and is of the view that all organisations should invariably follow a fair, transparent and open tendering procedure to select the application service provider for implementing their e-tendering solutions. The standard guidelines on tendering procedure should hold good for the procurement of these services as well.
