Preface

The Civil List of the Indian Economic Service (IES) is being brought out primarily to provide basic information about the officers of the service with updated information on their postings. The present Civil List (2009) is the third issue, following on the earlier publications of 2005 and 2008.

2. The Civil List does not purport to be an authentic document for seniority or for the pay and allowances of the members of the Service which can be determined from the original records.

3. Efforts have been made to include correct data about officers, as available with its Cadre Controlling Authority. However, error or omission, if any, may be brought to the notice of the IES Cadre, Department of Economic Affairs, which would help improve quality of the publication in future.

4. It is hoped that Civil List 2009 of the IES will be useful to all stakeholders.
