## FOREWORD

It is my pleasure to release the latest edition of the Civil List 2011 of officers of the Central Secretariat Service (CSS).

2. The Central Secretariat Service is one of the earliest organized services in the country and is an important constituent of the Central Government machinery. The authorized cadre strength in the various grades of the service is more than 11,000 officers, of whom about 2100 are in Group 'A' in the grades of Under Secretary, Deputy Secretary, Director, SAG and above levels. At present, there are 54 officers working in the Senior Administrative Grade which is a matter of immense pride for the Service.

3. While important structural changes have been made several times since inception of the service, one common thread running through all the stages of the evolution of the service has been the role of the service in ensuring continuity of administration in the Central Secretariat. The service provides a strong permanent bureaucratic set up at middle levels of the Government for providing a delivery system for policy formulation, continuity in policy administration, monitoring & review of the implementation of policies/schemes, coherent institutional memory etc., which are germane to good governance at the Headquarters' of the Central Government.

4. I extend my good wishes to all the officers of CSS for the excellent work done over the years. I am sure that in the years to come they will continue to dedicate themselves to the betterment of the nation.

## PREFACE

I am happy to bring out the Civil List-2011 of the Central Secretariat Service (CSS) officers, as updated upto November 2011. The Civil List is an important document for better cadre management of this service and a valuable source of information. It contains the relevant information in respect of the members of the Service holding Group 'A' posts in various Ministries/Departments of the Government of India.

2. Members of the CSS have been rendering service at the Central Government at various levels and have contributed ably in policy formulation, executing and monitoring. CSS officers at middle level perform the function of coordinating opinions and ideas to present a balanced picture.

3. This Civil List has been prepared on the basis of data available in CS Division of DoP&T and information received from various Ministries/Departments. Contents of the Civil List do not confer any official sanction in respect of the particulars given therein of individual officers. In case of any doubt, or dispute, the correct information should be obtained from the original records available with this Department and Ministries/ Departments. Every effort has been made to ensure that details of postings of the officers are reflected correctly. However, if any errors are noticed in this compilation, these may be brought to our notice for rectification.

4. On behalf of the Department of Personnel & Training, I would like to thank personnel of the CS Division for their effort in bringing about this Civil List. I also thank all the members of the service for their cooperation in this endeavour. We are also grateful to National Informatics Centre (NIC) for the technical support by NIC-DoPT and development of the Civil List software programme which helped in preparation of the Civil List.

5. The online version of the Civil List is available on the website of the Department at <http://persmin.nic.in> → DoPT → Central Secretariat → CSS.
