

Clarifications for RFP

A pre-bid meeting was organized on 11.09.2012 at Room No. 108, Public Enterprises Bhawan with reference to RFP (Request for Proposal) for different activities related to Monitoring of performance of CPSEs. The following clarifications were furnished in response to queries raised by representatives of agencies/institutions participated in the meeting.

SL.	Issues	Clarifications
01.	Number of years of experience in carrying similar activities (Page 5)	The qualification and experience is related to conducting of studies in general and not specific to the topic given in the study.
02.	Past association with the government (Page 5)	The Agency should have carried out such study with the government or government agency previously.
03.	Approach Paper for the study (Page 5)	The approach paper should summarize the manner, scope and content of the study and should be prepared broadly on the basis of data given in Table 5 and Table 6 of RFP.
04.	Date of completion of collecting data /primary information (Table 6)	Date of completion of collecting data /primary information should be read as Date of completion of collecting data and other relevant secondary information.
05.	Extension in the date of submission of final reports	It has been explained that there will be no further extension beyond the date mentioned in the Schedule for completion of Tasks (Page3) for the submission of final report.
06.	Person deployed (Page 3)	Person deployed means nodal person/(s) to be nominated by the agency who will act as an interface between the organization, Department of Public Enterprises and CPSEs.
07.	Background Information	The background information such as MoU (Memorandum of Understanding) Guidelines and PE Survey can be accessed through the websites. (http://dpemou.nic.in/) http://dpe.nic.in/importantlinks_pe_survey
