OFFICE MEMORANDUM

Sub: Participation by Central Government servants in sporting events and tournament of National or International importance.

The undersigned is directed to refer to this Department's OM No. 6/1/85-Estt (Pay-1) dated 18th May, 2010 which clarifies *inter-alia* that sportspersons participating in sporting events (individual/team) of national/international importance will be treated as having achieved excellence for the purpose of grant of increments if they achieve 1st, 2nd or 3rd position in the finals of sporting events, if more than three individuals or teams have participated in the events. If only three or less individuals or teams have participated in the finals of a sporting event, the sportsperson / team achieving first position will be treated as having achieved excellence.

2. The question as regards treating the term 'finals' used in OM dated 18.5.2010 and also the distinction sought to be made between athletic / equivalent and non- athletic / equivalent sporting events has been engaging the attention of the Government. In the case of athletic / equivalent sporting events, which are generally decided on the basis of finishing position and which do not involve level-related concept e.g. finals, semi-finals and are held all at one go, there would be no 'finals'. The three individuals / teams that secure first three positions shall be said to have achieved excellence, if more than three individuals / teams have participated in the sporting events of national / international importance for the purpose of grant of incentive

increments. This benefit, however, is granted to the individual / team, who achieve the first position only, if the number of individuals / teams that participate in the sporting event is three or two.

3. In the case of non-athletic / equivalent sporting events, which are generally single elimination sporting events and which involve level-related concept, the individuals / members of the teams achieving first and second positions respectively in the finals and both the losing semi-finalist individuals / members of the teams achieving third and fourth positions respectively shall be said to have achieved excellence for the purpose of grant of incentive increments, if more than three individuals / teams have participated in the sporting events of national / international importance for the purpose of grant of incentive increments. This benefit, however, is allowable to only one individual / team, if the number of individuals / teams that participate in a sporting event is less than three.

4. These orders shall be in supersession of the OM No. 6/1/85-Estt(Pay-1) dated 18th May, 2010. The provision as contained in the OM No.6/1/85-Estt(Pay-1) dated 16th July, 1985 shall continue to apply. Past cases may also be decided accordingly.

2. Special Casual Leave is also granted to Central Government servants for a period not exceeding 10 days in any one calendar year for participating in inter-ministerial and inter-departmental tournaments and sporting events held in and outside Delhi.

3. The Government of India have had under consideration for some time past the question of granting some further incentives/facilities to sportsmen and sportswomen. The matter has been examined and the President

is pleased to decide as follows:-

(i) In the case of Central Government servants who are selected for participating in sporting events of national/international importance, the period of the actual days on which they participate in the events as also the time spent in travelling to and from such tournaments may be treated as duty. Further, if any pre-participation Coaching Camp is held in connection with the above mentioned events and the Government servant is required to attend the same, this period may also be treated as on duty. Consequently, the existing provisions regarding grant of Special Casual leave for the purposes mentioned in this item may be treated as cancelled.

(ii) The quantum of Special Casual leave for a period not exceeding 30 days in a Calendar year allowed to Central Government employees, for purposes indicated at items (iii) to (vii) in para 1 above will cover also their attending the pre-selection trials/camps connected with sporting events of national/international importance.

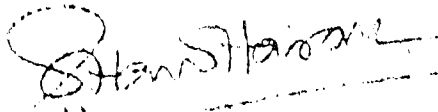

(iii) The Central Government employees who are selected for participating in sporting events of national/international importance within India, may be allowed to travel by First Class by train. In the case of events of international importance held outside India, they may be entitled to travel by economy class by air.

(iv) (a) The number of increments to be awarded for achieving excellence in National events should be laid down at a scale lower than for excellence in International events, say one increment for National and two increments for International events.

(b) The total number of increments to be awarded to an individual should not exceed five in his/her entire career.

(c) The increments so granted would continue to be drawn at the same rate till retirement and would count for the purpose of retirement benefits but not for pay fixation on promotion on the analogy of incentive increments awarded for promoting small family norms.

In so far as persons serving in the Indian Audit and Accounts Department are concerned, these orders are issued with the concurrence of the Comptroller and Auditor General of India.
