Office Memorandum

Subject: Foreign Training Programme for Group 'A' officers of CVC and CVOs – regarding cooling off period.

The undersigned is directed to say that the Training Policy of the Central Vigilance Commission (CVC) is under consideration in this Department. The said policy also has a Foreign Training component under which the para 8 of the policy specifies the following criteria that may be adopted while nominating officers of CVC for short-term programmes so that opportunities are available to officers on an equitable basis.

- (i) Eligibility: All group 'A' officers in the Commission.
- (ii) Officers who have undergone short-term training under DFFT scheme during their tenure in the Commission would not be eligible for consideration under this scheme for a period of two years while working in the Commission.
- (iii) Similarly, candidature of officers would not be forwarded for short-term training under DFFT scheme if they had undergone short-term training abroad (other than under DFFT scheme) within a period of two years of their tenure in the Commission.

2. In addition to this, there is also provision for Foreign Training for CVOs in Paras 15-17 of the Policy. It is proposed to add the following as Para 18 in the Policy:

“The officers (CVOs) should not have undergone any foreign training under DFFT in the last 2 years as on 1st April of the year in which training is being organized.”

3. It is requested that comments on the above, if any, may please be sent to the undersigned within a week.
