OFFICE MEMORANDUM

Sub: Calendar for Cadre Review of Central Group 'A' Services

The undersigned is directed to say that in terms of this Department's OM No. I. 11011/1/1009-CRD dated 14/12/2010 the ideal periodicity of cadre review is 5 years. Despite the said instructions and repeated reminders, it has been observed that the said periodicity is not followed. The cadre review in some cases is pending for even more than 40 years.

2. In view of the above, this Department has prepared a calendar (Annexure) for cadre review of the Central group 'A' Services, which is required to be followed by the Cadre Controlling Authorities (CCA) strictly. The months and year mentioned in the calendar is the time frame by which the cadre review proposal should be submitted by the Cadre Controlling Authorities to DoPT positively.

3. All the CCAs are therefore requested to submit cadre review proposals in accordance with the calendar without any exemption. For other service which have not been mentioned in the calendar and the cadre review is not due, the Cadre Controlling Authority concerned may submit their proposal in accordance with the Cadre Review Guidelines, as and when they feel that the cadre review is required.

4. Any proposal for addition in cadre strength of Central Group 'A' Services (Creation, encadrement, upgradation, merger etc.) must be routed through DoPT as reiterated in this Department's OM No. I. 11019/17/2016-CRD dated 15/2/2017.
