D.O. No. 5/17/2011-IEPF
February 1, 2012

Dear DRS,

This Ministry has been providing an enabling regulatory framework for the corporate sector to function effectively as well as to safeguard the interest of investors, particularly the small investors. For this, the Ministry has undertaken many innovative projects to facilitate corporate growth with enlightened regulation including organizing events like 'Corporate Week' and 'Investor's Week' which have been merged into single events as per programme enclosed.

2. Many Public Sector Units (PSUs) are having their corporate offices in these cities. They are also actively engaged in the issues related to Corporate Governance and Corporate Social Responsibility. Since these issues will be deliberated in the event, the participation of local corporate offices in these events will enhance the effectiveness and outcome of deliberations.

3. I shall be extremely grateful if an advisory is issued to the relevant PSUs to involve themselves whole-heartedly in the events. They may be advised to get in touch with the local Lead Partners or Shri Alok Kumar, Director in this Ministry (Phone No. 011-23382386) for any further detail.

Best wishes,

Yours sincerely,

(Naved Masood)
