D.O. No. 40-6/2020-DM-I(A)/ Pt (2)

16th April, 2021

Dear Chief Secretary,

Please refer to Ministry of Home Affairs' Order No. 40-3/2020-DM-I(A) dated 23.03.2021 whereby Guidelines for effective control of COVID-19 have been issued. As per these Guidelines, lockdown is limited to the Containment Zones and all economic and other activities are permitted outside the containment zone subject to strict adherence to prescribed Standard Operating Procedures (SOPs). Further, there shall be no restriction on inter-State and intra-State movement of persons and goods as also reiterated in my D.O. letter of even number dated 23.03.2021.

2. In last few days, a sharp increase in COVID-19 cases has been observed in the country along with high positivity rate. In order to break the chain of transmission and curb the spread of Covid-19, various States/UTs have imposed additional restrictions on certain activities and curfews etc.

3. As you are aware, **availability of adequate and uninterrupted supply of Medical Oxygen** is an important pre-requisite for managing moderate & severe cases of COVID-19. With increasing cases, the medical oxygen supplies will need to keep pace with the requirements of the States.

4. Keeping in view the requisition of Medical Oxygen and to ensure its smooth supplies to concerned agencies, Empowered Group-II, which is mandated for coordinating medical logistics including oxygen, has prepared a supply plan that is required to be followed by all States/UTs and concerned agencies. A copy of Secretary (Health)'s D.O. letter dated 15.04.2021 along with the aforesaid plan is enclosed.

5. It is emphasised that **Medical Oxygen is an essential public health commodity** and any impediment in the supplies of Medical Oxygen in the country may critically impact the management of patients suffering from COVID-19 disease in other parts of the country.

...contd..p/2..

6. Therefore, you are requested to ensure that:

(i) no such restriction is imposed on the movement of Medical Oxygen between the States/ UTs and transport authorities shall be instructed to accordingly allow free inter-state movement of oxygen carrying vehicles;

(ii) no restrictions shall be imposed on oxygen manufacturers and suppliers to limit the oxygen supplies only to the hospitals of the State in which they are located;

(iii) there shall be free movement of oxygen carrying vehicles into the cities, without any restriction of timings, while also enabling inter-city supply without restriction; and

(iv) the supply plan as referred in para 4 above should strictly be adhered to by all the States/UTs.

With regards,

Yours sincerely,

16/04/21
(Ajay Bhalla)

RAJESH BHUSHAN, IAS
SECRETARY

In view of the resurgence in COVID-19 cases across the country again, management of Medical Oxygen supply to States has become very critical. Empowered Group II (EG-II) which has the mandate to coordinate medical logistics including Oxygen has been holding discussions with the concerned Ministries and States to plan such supplies based on Medical Oxygen requirement of the States. Based on such deliberations, EG-II has prepared a supply plan as Annexed. All the States and all the concerned agencies are required to follow this plan to ensure smooth supplies of Medical Oxygen for Management of COVID-19.

In case any State has any suggestion or requires any clarification, they may contact Ms. Sumita Dawra, Addl. Secretary, DPIIT (Tel:011-2306 2983 / Email: dawras@ias.nic.in) or Dr.Nipun Vinayak, Joint Secretary, MoHFW (Tel:011-23061398 / Email: oxygenpmu.mohfw@gmail.com).

Yours sincerely,
