The CGHS doctors are required to maintain records separately in respect of the services provided to the senior citizens of the general public. Following guidelines may be strictly followed:

1. The timings prescribed for OPD consultation at the above WC's is 1.30 P.M. to 3.00 P.M.
2. There should be no harassment by asking for the age proof from the Senior Citizens.
3. The doctors are required to examine the patients clinically and advise accordingly.
4. The prescription is to be made on a separate prescription slip. Computerized CGHS prescription slip will not be used for this purpose.
5. Separate records of OPD Patients attending WC may be maintained in a register.
6. Every doctor shall maintain a separate register for convenience.
7. The matter may be given due publicity by displaying this order on the notice board of the Wellness Centre.

This issues with the approval of the competent authority.
