MESSAGE

I am happy to know that the Central Vigilance Commission is organising Vigilance Awareness Week on the theme "Eradicate Corruption-Build a New India" from 29th October to 3rd November, 2018.

Organising different events over the week related to the above theme would help to create awareness about the consequences of corruption and the need to build a society that forcefully fights the evil of corruption. I am confident that government departments, institutions, public and private organisations as well as people at large shall rededicate themselves to the cause of building a New India that is defined by zero-tolerance for corruption and by enhanced levels of transparency, accountability, fair-play and objectivity.

I extend my greetings and felicitations to all those associated with the Central Vigilance Commission and wish the Vigilance Awareness Week every success.
