

## **Promotion of Payments by Digital means in CPSEs**

In view of the focus of the Govt. to promote payments by digital means in all transactions, the Committee on Management of Government Investment in CPSEs (under Department of Investment & Public Asset Management) has recommended that CPSEs campuses may also be made cashless. In order to achieve this goal, I would request you to ensure that all payments and receipts concerning your CPSE are invariably done through various digital modes, viz., internet banking, cards, BHIM, UPI, USSD, Aadhar Pay, etc. Besides, Capacity Building and Awareness Campaigns for employees, workers and their respective family members may be continued to make the programme of 'Cashless Campus' a success. This Department may also be apprised regularly of the progress made in this regard by your CPSE.
