Dear Madam / Sir,

Special measures to incentivise Electronic Payments –

(i) Enhancement in issuance limits for Pre-Paid Payment Instruments (PPIs) in India

(ii) Special measures for merchants

Following the withdrawal of legal tender characteristics of existing ₹ 500/- and ₹ 1000/- Bank Notes (Specified Bank Notes – SBN), in order to facilitate the adoption of digital payments, it has been considered necessary to introduce the following special measures in partial modification of [Master Circular DPSS.CO.PD.PPI.No.01/02.14.006/2016-17 dated July 01, 2016](#) on Issuance and Operation of Pre-paid Payment Instruments in India.

(i) Enhancement in PPI limits:

- The limit of semi-closed Prepaid Payment Instrument (PPI) that can be issued under Para 7.2 (i) of the Master Circular on issuance and operations of PPIs in India has now been enhanced from ₹ 10,000/- to ₹ 20,000/- .
- The total value of reloads during any given month shall also not exceed ₹ 20,000/-
- All other extant instructions in this regard shall remain unchanged.

(ii) Special dispensation for merchants:

As per the extant PPI guidelines, merchants are defined as establishments who accept the PPIs issued by PPI issuer against the sale of goods and services. As a special dispensation for small merchants, PPI issuers can now issue PPIs to such merchants subject to the following:

- Merchants shall give a self-declaration in respect of their merchant status and details of their own bank account, which shall be kept on record by the issuer.
- PPIs can be issued to such willing merchants only after due verification and validation of their bank account details.
