Office Order

Subject: Operationalisation of the Budget Announcement 2015-16 on Atal Pension Yojna (APY), Pradhan Mantri Jeevan Jyoti Bima Yojana (PMJJBY), Pradhan Mantri Suraksha Bima Yojana (PMSBY)

The Government, through the Budget Speech 2015, announced three ambitious Social Security Schemes pertaining to the Insurance and Pension Sectors, namely, Pradhan Mantri Jeevan Jyoti Bima Yojana (PMJJBY), Pradhan Mantri Suraksha Bima Yojana (PMSBY) and Atal Pension Yojana (APY) to move towards creating a universal social security system, targeted especially to the poor and the under-privileged. Hon'ble Prime Minister will be launching these schemes nationally in Kolkata on 9th May, 2015.

2. It was announced in the Budget Speech for 2015-16 that a large proportion of India's population is without insurance of any kind, that is, health, accidental or life. Further, as the young population of India ages, it is also going to be pension and insurance-less. Therefore, Government has decided to work towards creating a universal social security system for all Indians, specially the poor and the under-privileged. To address the longevity risks among the workers in unorganised sector and to encourage the workers in unorganised sector to voluntarily save for their retirement, who constitute 88% of the total labour force of 47.29 crore as per the 66th Round of

NSSO Survey of 2011-12, but do not have any formal pension provision, the Government had started the Swavalamban Scheme in 2010-11. However, coverage under Swavalamban Scheme is inadequate mainly due to lack of clarity of pension benefits at the age after 60. The Government has, therefore, announced a new initiative called APY in the Budget Speech for 2015-16. The APY will be focussed on all citizens in the unorganised sector, who join the National Pension System (NPS) administered by the Pension Fund Regulatory and Development Authority (PFRDA).

3. The Government has now approved operationalisation of the three schemes. Pursuant to this, action is being taken to formally launch the 3 schemes in all the States and UTs on 9th May, 2015. The Prime Minister is scheduled to formally dedicate the three schemes to the citizens on 9th May, 2015 at Kolkata. An elaborate pre-launch publicity, post-launch awareness and enrolment campaign is being undertaken to maximise enrolment under the 3 social security schemes. The schemes will be operationalised by Department of Financial Services (DFS) with the assistance of Regulatory institutions, such as, Insurance Regulatory and Development Authority of India (IRDAI), Pension Fund Regulatory and Development Authority (PFRDA) and Scheduled Commercial Banks, Regional Rural Banks (RRBs), Co-operative Banks and Insurance Companies, wherein the roles and responsibilities of officers/ staffs are well defined for operationalisation of the schemes.

4. The Government has decided to provide the following funding support to operationalise the APY, PMJJBY and PMSBY. The scheme details are annexed at Annex-1.

- (i) to operate APY, PMJJBY and PMSBY as Central Sector Schemes.
- (ii) to provide Government co-contribution at the rate of 50% of the total contribution or Rs. 1000 per annum, whichever is lower, to each eligible

subscriber account, for a period of 5 years for subscribers under Atal Pension Yojana.

- (iii) to incur expenditure for promotional and developmental activities for enrolment and contribution collection under APY over a period of 5 years.
- (iv) to provide gap funding, *if there is a gap* between the pension liabilities and pension assets under APY, based on actuarial estimation.
- (v) to incur a token expenditure for the next five years for supporting publicity/awareness building for PMJJBY and PMSBY from the Government Budget.
- (vi) The APY, PMJJBY and PMSBY have been exempted from the payment of Service Tax (copy enclosed at Annex-2).

5. The funding support to the three schemes would be released only after approval of the Parliament through Supplementary Demand for Grants for making necessary budgetary provision.

6. This issues with the approval of Additional Secretary (FS) and the concurrence of the Internal Finance Unit.

Scheme Details

Atal Pension Yojana (APY) – Details of the Scheme

1. Introduction

1.1 The Government of India is extremely concerned about the old age income security of the working poor and is focused on encouraging and enabling them to join the National Pension System (NPS). To address the longevity risks among the workers in unorganised sector and to encourage the workers in unorganised sector to voluntarily save for their retirement, who constitute 88% of the total labour force of 47.29 crore as per the 66th Round of NSSO Survey of 2011-12, but do not have any formal pension provision, the Government had started the Swavalamban Scheme in 2010-11. However, coverage under Swavalamban Scheme is inadequate mainly due to lack of guaranteed pension benefits at the age of 60.

1.2 The Government announced the introduction of universal social security schemes in the Insurance and Pension sectors for all Indians, specially the poor and the under-privileged, in the Budget for the year 2015-16. Therefore, it has been announced that the Government will launch the Atal Pension Yojana (APY), which will provide a defined pension, depending on the contribution, and its period. The APY will be focussed on all citizens in the unorganised sector, who join the National Pension System (NPS) administered by the Pension Fund Regulatory and Development Authority (PFRDA). Under the APY, the subscribers would receive the fixed minimum pension of Rs. 1000 per month, Rs. 2000 per month, Rs. 3000 per month, Rs. 4000 per month, Rs. 5000 per month, at the age of 60 years, depending on their contributions, which itself would be based on the age of joining the APY. The minimum age of joining APY is 18 years and maximum age is 40 years. Therefore, minimum period of contribution by any subscriber under APY would be 20 years or more. The benefit of fixed minimum pension would be guaranteed by the Government. The APY would be introduced from 1st June, 2015.

2. Benefit of APY

2.1 Fixed pension for the subscribers ranging between Rs. 1000 to Rs. 5000, if he joins and contributes between the age of 18 years and 40 years. The contribution levels would vary and would be low if subscriber joins early and increase if he joins late.

3. Eligibility for APY

3.1 Atal Pension Yojana (APY) is open to all bank account holders. The Central Government would also co-contribute 50% of the total contribution or Rs. 1000 per annum, whichever is lower, to each eligible subscriber account, for a period of 5 years, i.e., from Financial Year 2015-16 to 2019-20, who join the NPS before 31st December, 2015 and who are not members of any statutory social security scheme and who are not income tax payers. However, the scheme will continue after this date but Government Co-contribution will not be available.

3.2 The Government co-contribution is payable to eligible PRANs by PFRDA after receiving the confirmation from Central Record Keeping Agency at such periodicity as may be decided by PFRDA.

4. Age of joining and contribution period

4.1 The minimum age of joining APY is 18 years and maximum age is 40 years. The age of exit and start of pension would be 60 years. Therefore, minimum period of contribution by the subscriber under APY would be 20 years or more.

5. Focus of APY

5.1 Mainly targeted at unorganised sector workers.

6. Enrolment and Subscriber Payment

6.1 All bank account holders under the eligible category may join APY with auto-debit facility to accounts, leading to reduction in contribution collection charges. The subscribers should keep the required balance in their savings bank accounts on the stipulated due dates to avoid any late payment penalty. Due dates for monthly contribution payment is arrived based on the deposit of first contribution amount. In case of repeated defaults for specified period, the account is liable for foreclosure and the Govt co-contributions, if any shall be forfeited. Also any false declaration about his/her eligibility for benefits under this scheme for whatsoever reason, the entire government contribution shall be forfeited along with the penal interest. For enrolment, Aadhaar would be the primary KYC document for identification of beneficiaries, spouse and nominees to avoid pension rights and entitlement related disputes in the long-term. The subscribers are required to opt for a monthly pension from Rs. 1000 - Rs. 5000 and ensure payment of stipulated monthly contribution regularly. The subscribers can opt to decrease or increase pension amount during the course of accumulation phase, as per the available monthly pension amounts. However, the switching option shall be provided once in year during the month of April. Each subscriber will be provided with an acknowledgement slip after joining APY which would invariably record the guaranteed pension amount, due date of contribution payment, PRAN etc.

7. Enrolment agencies

7.1 All Points of Presence (Service Providers) and Aggregators under Swavalamban Scheme would enrol subscribers through architecture of National Pension System. The banks, as POP or aggregators, may employ BCs/Existing non - banking aggregators, micro insurance agents, and mutual fund agents as enablers for operational activities. The banks may share the incentives received by them from PFRDA/Government, as deemed appropriate.

8. Operational Framework of APY

8.1 It is Government of India Scheme, which is administered by the Pension Fund Regulatory and Development Authority. The Institutional Architecture of NPS would be utilised to enrol subscribers under APY. The offer document of APY including the account opening form would be formulated by PFRDA.

9. Funding of APY

9.1 Government would provide (i) fixed pension guarantee for the subscribers; (ii) would co-contribute 50% of the total contribution or Rs. 1000 per annum, whichever is lower, to eligible subscribers; and (iii) would also reimburse the promotional and development activities including incentive to the contribution collection agencies to encourage people to join the APY.

10. Migration of existing subscribers of Swavalamban Scheme to APY

10.1 The existing Swavalamban subscriber, if eligible, may be automatically migrated to APY with an option to opt out. However, the benefit of five years of government Co-contribution under APY would not exceed 5 years for all subscribers. This would imply that if, as a Swavalamban beneficiary, he has received the benefit of government Co-Contribution of 1 year, then the Government co-contribution under APY would be available only 4 years and so on. Existing Swavalamban beneficiaries opting out from the proposed APY will be given Government co-contribution till 2016-17, if eligible, and the NPS Swavalamban continued till such people attained the age of exit under that scheme.

10.2 The existing Swavalamban subscribers between 18-40 years will be automatically migrated to APY. For seamless migration to the new scheme, the associated aggregator will facilitate those subscribers for completing the process of

migration. Those subscribers may also approach the nearest authorised bank branch for shifting their Swavalamban account into APY with PRAN details.

10.3 The Swavalamban subscribers who are beyond the age of 40 and do not wish to continue may opt out the Swavalamban scheme by complete withdrawal of entire amount in lump sum, or may prefer to continue till 60 years to be eligible for annuities there under.

11. Penalty for default

11.1 Under APY, the individual subscribers shall have an option to make the contribution on a monthly basis. Banks are required to collect additional amount for delayed payments, such amount will vary from minimum Rs. 1 per month to Rs 10/- per month as shown below:

- Rs. 1 per month for contribution upto Rs. 100 per month.
- Rs. 2 per month for contribution upto Rs. 101 to 500/- per month.
- Rs. 5 per month for contribution between Rs 501/- to 1000/- per month.
- Rs. 10 per month for contribution beyond Rs 1001/- per month.

The fixed amount of interest/penalty will remain as part of the pension corpus of the subscriber.

11.2 Discontinuation of payments of contribution amount shall lead to following:

- After 6 months account will be frozen.
- After 12 months account will be deactivated.
- After 24 months account will be closed.

12. Operation of additional amount for delayed payments

12.1 APY module will raise demand on the due date and continue to raise demand till the amount is recovered from the subscriber's account.

12.2 The due date for recovery of monthly contribution may be treated as the first day /or any other day during the calendar month for each subscriber. Bank can recover amount any day till the last day of the month. It will imply that contribution are recovered as and when funds are available any point during the month.

12.3 Monthly contribution will be recovered on FIFO basis- earliest due instalment will recovered first along with the fixed amount of charges as mentioned above.

12.4 More than one monthly contribution can be recovered in month subject to availability of the funds. Monthly contribution will be recovered along with the monthly fixed due amount, if any. In all cases, the contribution is to be recovered along with the fixed charges. This will be banks' internal process. The due amount will be recovered as and when funds are available in the account.

13. Investment of the contributions under APY

13.1 The amount collected under APY are managed by Pension Funds appointed by PFRDA as per the investment pattern specified by the Government. The subscriber has no option to choose either the investment pattern or Pension Fund.

14. Continuous Information Alerts to Subscribers

14.1 Periodical information to the subscribers regarding balance in the account, contribution credits etc. will be intimated to APY subscribers by way of SMS alerts. The subscribers will have the option to change the non – financial details like nominee's name, address, phone number etc whenever required.

14.2 All subscribers under APY remain connected on their mobile so that timely SMS alerts can be provided to them at the time of making their subscription, auto-debit of their accounts and the balance in their accounts.

15. Exit and pension payment

15.1 Upon completion of 60 years, the subscribers will submit the request to the associated bank for drawing the guaranteed monthly pension.
