Accordingly, the changes in the instructions are advised as under:

#### 2. Detection

##### i. Over the Counter

Banknotes tendered over the counter should be examined for authenticity through machines and such of these determined as a counterfeit one, shall be stamped as "COUNTERFEIT NOTE" and impounded as detailed in Annex I. Each such impounded note shall be recorded under authentication, in a separate register.

3. When a banknote tendered at the counter of a bank branch or treasury is found to be counterfeit, an acknowledgement receipt in the format (Annex II) must be issued to the tenderer, after stamping the note as in Paragraph 2 *ibid*. The receipt, in running serial numbers, should be authenticated by the cashier and tenderer. Notice

to this effect should be displayed prominently at the offices / branches for information of the public. The receipt is to be issued even in cases where the tenderer is unwilling to countersign it.

4. No credit to customer's account is to be given for counterfeit notes, if any, in the tender received over the counter or at the back-office / currency chest.

5. In view of the revision in the system of detection of counterfeit notes by banks, the following changes may be noted with respect to existing compensation and penalty for non-detection of counterfeit notes:

5.i. Compensation

The instructions on compensation to banks at 25% of the notional value of counterfeit notes detected and reported and the system of lodging claims for compensation by Forged Note Vigilance Cell of banks stand withdrawn.

- b) If counterfeit notes are detected in the currency chest balance of a bank during Inspection / Audit by RBI.

6. All other instructions relating to examination of notes before issuance over the counter, top up of ATMs, reporting to police and other authorities, infrastructure etc. to enable detection as well as liaison with the authorities, remain unchanged.
